

ES Global announces major investment to drive future growth

ES Global, a leading solutions-driven provider of demountable structures to music, sporting, cultural and corporate events and a range of public sector applications, announces an investment by Flywheel Partners.

This deal benefits customers, employees and industry collaborators as the investment accelerates ES Global's growth strategy. The Directors and senior management team will also be invested in the Company alongside Flywheel.

ES Global is an award-winning specialist providing demountable structures for the world's highest profile sports competitions and multi events games in the UK, South America, South Asia, Australasia, Far East and Middle East as well as music and cultural events in addition to public sector solutions.

Jeff Burke and Olly Watts, Directors of ES Global

"We have significant ambitions for the business and this partnership will enable us to accelerate our strategic plans, retain talent, attract new talent and grow our global network from London, Tokyo and Paris as we establish new offices around the world. We will look to serve our customers better than ever before, as we invest further in our business.

We warmly welcome Flywheel as a strategic partner, excited by the prospect of tapping into their expertise. We are so grateful to our enormously talented team who, together with Flywheel, will see us accelerate our plans and unlock our full potential."

Avital Lobel, Managing Director of Flywheel Partners

"ES Global is a success story of a specialist UK business becoming a leader on the world stage. The team has a strong reputation for successfully delivering bespoke solutions to a range of significant end-markets. This business also sits at the heart of the sustainability agenda: providing temporary solutions that create a far smaller carbon footprint than permanent structures.

We are very excited to become part of the ESG family and embark on a partnership with Jeff, Olly and their exceptional team."

The terms of the transaction were not disclosed. Advising ES Global on the transaction was MCF Corporate Finance (financial advisor).
